

Are You A Dreamer of Dreams?

Dreaming of dreams and the building of air castles alone are not going to help that BOY and GIRL of yours. You must put a FOUNDATION under them. That FOUNDATION consists of GRAMMAR SCHOOL, HIGH SCHOOL and a COLLEGE EDUCATION.

THE BEST WAY

for the average family to meet this problem is thru the medium of one of our several forms of JUVENILE INSURANCE. We know that if you will give this matter careful consideration, you will greatly appreciate our co-operation.

Drop in at the office or phone either Mr. Black or Mr. Klug and detailed information will be gladly given you.

Father Trades in His Old Car;

... Why not trade in your old range?

FATHER KNOWS that it is economy to trade in his service-worn old car on a more efficient, more economical modern automobile.

But what of your kitchen? Is your range antiquated, rusty, slow, inefficient, hard to cook with, hard to keep clean? Are you sure that you are not paying for the service of a modern electric range and still not enjoying its advantages?

Twenty million American women have modernized their kitchens by trading in their old ranges for modern electric ranges. They will tell you that trading in your old range for a modern electric range is a real money-saving proposition.

At the same time, you will enjoy the many advantages of a modern electric range. It is clean, efficient, and easy to use. It saves you time and money in the kitchen.

Trade in your old range for a modern electric range today. You will be glad you did!

29 Per Cent Easter! 15 Per Cent More Economical
